Educational Notes: If cannot meet the standard production time, some promotional products can be made in a RUSH PRODUCTION TIME. This have additional charges that goes up \$200 aprox and more. Also are available Rush Freight Transit time like Overnight and Next Day Delivery services that has rate high than standard delivery. Pre-Production samples are available for some products but needs to add 10-12 business days more to the standard production time. Design services ( Virtual Proof, Advertising ) takes 2-3 business days Production time, transit time, and product availability are subject to change. While we strive to provide accurate timelines, unforeseen circumstances may impact delivery dates.

This calendar chart is for educational purposes only. Actual production time, transit time, and product availability may vary for each product.
